ERRATUM

On November 17, 2004, the Hearing Officer issued an *Order Modifying Procedural Schedule* which inadvertently contained some incorrect dates in the modified procedural schedule. Those dates reflected the original October 11, 2004 Procedural Schedule,¹ rather than the modified October 28, 2004 Procedural Schedule.² The Procedural Schedule should have included the dates contained in the October 28, 2004 Procedural Schedule with the exceptions of the November 18, 2004 deadline for the Chattanooga Manufacturers Association's discovery requests to Tennessee American Water Company and the December 6, 2004 deadline for Tennessee American Water Company's responses or objections to the Chattanooga Manufacturers Association's requests. Consistent with this *Erratum*, a copy of the corrected order is attached hereto.

ORDER MODIFYING PROCEDURAL SCHEDULE

This matter is before the Hearing Officer upon the *Motion to Extend Filing Dates for Discovery* (“*Motion*”) filed by the Chattanooga Manufacturers Association (“CMA”) on November 15, 2004. In its *Motion*, CMA requests that it be given an additional three (3) days, until November 18, 2004, to submit discovery requests to Tennessee American Water Company (“TAWC”), and that TAWC be given an additional three (3) days, until December 4, 2004, to object and/or respond to CMA’s requests. Counsel for CMA states that counsel for TAWC does not oppose the Motion.

The Hearing Officer finds that extending the deadline for an additional three (3) days for CMA to submit discovery requests and extending the deadline an additional three (3) days for TAWC to object or respond to those requests will not significantly delay the proceedings in this matter. The Hearing Officer further finds that granting the *Motion* will not significantly impact the other parties in this Docket, the Consumer Advocate Division of the Office of the Attorney

General and the City of Chattanooga. In addition, the granting of the *Motion* will not affect the deadlines for filing any other responses or objections in this Docket, and the remainder of the Procedural Schedule issued on October 28, 2004, will remain unchanged. However, because December 4, 2004 is a Saturday, the date for TAWC to file its responses or objections to CMA's discovery requests will be Monday, December 6, 2004. As a result, the Procedural Schedule will now be modified as follows:

Discovery Requests from CMA to TAWC Due	Thursday, November 18, 2004
All Responses and Objections to Discovery Requests Filed Except TAWC Responses or Objections to CMA Discovery Requests	Wednesday, December 1, 2004

Direct Testimony Due	Thursday, December 23, 2004
Discovery Requests Served	Wednesday, January 5, 2005
Responses and Objections to Discovery Filed	Tuesday, January 11, 2005
